## ProCote Lamination Film - Glossy

Dot Works ProCote Lamination Film is a BOPET base product with excellent transparency and high gloss.

### Features:

- Excellent transparency
- High gloss
- Excellent resistance to tear & elongation

### Technical Data:

Thickness: 3 mil, 5 mil, 10 mil

Wetting Tension, mN/m

BOPET Surface:  $\geq 32$

Adhesive Surface:  $\geq 40$

Gloss (45°), %:  $\geq 70$

Haze, %  $\leq 10$

### Application Technology:

Laminating Equipment: Thermal laminating machine

Temperature: 95-130°C

Pressure: 8-18MPa

Speed: 1-70m/min
